Dear Parents,

It has been an excellent start to the term, the students have quickly settled into a solid working routine. Again I encourage all parents to keep your eye on the calendar section of the newsletter as the term is very busy.

**Confirmation**
It is a very special weekend for forty-seven of our year six students this weekend as they celebrate their Confirmation. The Sacrament will be celebrated by Bishop Mark Edwards as our own Bishop, Bishop Patrick O'Regan, is currently overseas. We had the pleasure of Bishop Mark attending the school on Monday to talk to the Confirmation Candidates, the students thoroughly enjoyed his talk. I thank Bishop Mark for taking the time out of his very busy schedule. Thanks to all of the parents, staff and parish members who have been involved in the preparation of the children.

**2016 Class Placement Requests**
If parents have a genuine reason for class placement requests for next year, could you please put them in writing addressed to myself by this Friday, the 16th of October. An enormous amount of time and effort is put into the creation of class lists and many factors are taken into consideration by staff. A written request will be considered on its merits but it is not a guarantee. Who is teaching which grade has not yet been decided so please do not request certain teachers. At Trinity we work on a whole school approach and we are blessed to have a committed teaching staff who collaborate together to give the very best learning opportunities to all students in our care. Please be aware that a request has to be made for this current year, we will not be referring to requests made 12 months ago as circumstances change.

**Grandparents Day**
We will be holding a Grandparents Day on Friday 6th of November between 8.45am-11.30am. Please keep this date free in your diary. If your child’s Grandparents cannot come they are welcome to invite a significant person in their life. I ask that you please complete the form sent home indicating the number attending from your family to assist with our planning. The outline of the day is as follows;

- **8.45am** – Arrival
- **9.00am** – Mass
- **10.00am** – Classroom Visits
- **11.00am** – Shared Morning Tea for Grandparents (Please note that the morning tea is for grandparents and parents only. We will be asking all families to donate a plate of food for the morning tea).

It will be a wonderful morning for everyone to enjoy.

**Disco**
Thanks to the Parents and Friends Committee, in particular Tania Johnson, for the organisation of the school Disco next Friday night, the 23rd. The Disco is separated into two time slots with P-2 from 4.30pm – 6.00pm and 3-6 from 6.30pm – 8.00pm. Further details are contained within this newsletter.

Information Communication Technology NEWS
Thank you very much to all the parents, family, friends and students who have been regularly visiting and commenting on the class blogs.

This term our Grade 6 students have all become ‘bloggers’ creating their own individual blogs. At present they are working through a blogging challenge where they will have the opportunity to expand and demonstrate their blogging skills and knowledge.

I would like to encourage families to visit the student blogs and post some comments. The Blogs can be accessed via our school website (News & Events menu, Blogs, Successful Sixes blog, there you will find all the student blogs in a blogroll the left side bar) http://successfulusixes.global2.vic.edu.au/

The students and teachers love to know that you are taking time out to visit their Blogs. Making comments and sharing your positive thoughts or even comments about your own learning will excite and motivate them to continue to share their learning with you and others around the world. It is safe and easy to use. (All comments are moderated by teachers.)

When posting comments please remember to adhere to our blogging guidelines. These guidelines have been put together to promote online safety for our students and families when blogging. (Guidelines can be found on all the class blogs)

Thank you for supporting the Trinity Students learning.

Yours Sincerely

Australian Mathematics Competition

In July, 94 students from the Middles and Seniors took part in the Australian Mathematics Competition. Students had one hour to answer 30 problems that related to number, algebra, geometry, measurement, statistics and probability and problem solving.

Late last week I received the school and individual student certificates. Student’s certificates and results will be sent home with them on Friday. As a school 5 students were awarded a distinction, 28 students were awarded a credit, 47 students were awarded a proficiency certificate and 14 students received a participation certificate.

Each school participating in the Australian Mathematics Competition has one student awarded with a Prudence Award. This award is for the student who answers the most correct answers in succession. This year’s Prudence Award was award to Yejin Kim, in grade 4, who answer 11 questions in a row correctly.

All students are to be congratulated on their efforts.

CONFIRMATION CANDIDATES MEET THE ARCH BISHOP

On Tuesday the 12th October all confirmation candidates got the opportunity to meet the Arch Bishop of Melbourne. Bishop Mark taught us about confirmation. Some of the things the confirmation candidates learnt were the three additional parts to the mass, what a Crozier is and practicing the renewal of our Baptismal Promises. We wish all candidates doing their confirmation this weekend good luck.

The Catholic Synod
October 4th – 25th 2015

What is a Synod?
A Synod is the gathering of 250 Catholic Bishops from all over the world in Rome to explore current issues affecting the Church today.

The theme of this year’s Synod is "The vocation and mission of the family in the Church and the world today."

Hopes for the Synod
The Synod of Bishops, gathered around the Holy Father, will turn it’s thoughts to all the families of the world, each with its joys, difficulties and hopes. They will give thanks to the Lord for the generosity and faithfulness of so many Christian families in responding to their vocation and mission, which they fulfil with joy and faith, even when living as a family requires facing obstacles, misunderstandings and suffering.

They hope to provide a sense of realistic hope for families today as they focus on the issues affecting marriage and the family.

Pope Francis hopes that the church will emerge more faithful than ever to the will of Christ teachings about the family and marriage, but being realistic about people who are struggling. “We the church need to create a new kind of dialogue between what the church believes and teaches - and what’s happening now in people lives – the reality of people’s lives”.

He believes that the church will be seen as a place of mercy where everyone is welcome, loved and forgiven and that the church will embrace the reality of today and find a new way of expressing that love for people, because in the end, families are the church.

Prayer for the Synod on the Family
We as Christians are asked to pray during this time that the Bishops are inspired by the Holy Spirit to have the courage and wisdom to make good decisions on behalf of us all. We pray that the Church will be realistic and compassionate with people that are struggling in marriage and the family. We pray that the mind and heart of Christ will emerge from whatever comes out of the Synod.

If you would like to follow the Australian bishops attending the Synod, you can visit their blog: http://mediablog.catholic.org.au/

Prayer for the Synod on the Family
Jesus, Mary and Joseph, in you we contemplate the splendor of our true love, to you we turn with trust.

Holy family of Nazareth, grant that our families too may be places of communion and prayer, authentic schools of the Gospel and small domestic churches.

Holy Family of Nazareth, may families never again experience violence, rejection and division, may all who have been hurt or scandalized find ready comfort and healing.

Holy Family of Nazareth, may the approaching Synod of Bishops make us more mindful of the sacredness of the family, and its beauty in God’s plan. Jesus, Mary and Joseph, graciously hear our prayer. Amen.

Gory be to the Father and the Son, and to the Holy Spirit, as it was in the beginning, is now and ever shall be, world without end. Amen

CRICKET CLINIC - YEAR 1-6

Over the next week students will be participating in Cricket Clinics during their P.E. Lessons learning skills related to the four main parts of cricket - fielding, bowling, batting and wicket keeping. The Year 3/4 students enjoyed the clinic on Monday, practising skills and playing a game where everyone was given the chance to bat, bowl and field. They are to be commended for outstanding behaviour. The visiting coaches were very impressed with their manners. Junior and Senior students will participate in clinics next week.

The clinics are being offered by Cricket Victoria and are promoting the opportunity for students to participate in the Milo T20 Blast Cricket Program. Posters are displayed around the school outlining details of registration for this Program or visit playcricket.com.au/T20blast to find out more.

As a lead up to this program Cricket Victoria and Narre South Cricket Club are holding a FREE COME and TRY this Sunday, October 18th at 9.30am - 11.00am at Casey Fields, Cranbourne East. All students aged 7-12 years are invited to attend.

In the case of illness a phone call in the morning on the day they are absent.
If you are going on holidays or your child will be away for an extended period you must advise in writing BEFORE you leave.
Thank you.

All parents/Guardians wishing to help in the classroom, canteen or attend excursions MUST have completed the PARENT HELPER WORKSHOP and hold a current WORKING WITH CHILDREN CARD.

Further details are available from the school office. All parent/guardian helpers must sign in at the office before proceeding to the classrooms. Your current Working with Children card must be displayed at all times when working in the classrooms and attending excursions.

TRINITY CAR PARK

- For greater safety and visibility, we are requesting that all drivers reverse park into the marked bays.
- Thank you all who use the pedestrian crossing area. You are demonstrating to your children correct road safety practices. Once children cross the pedestrian crossing into the parking area, they, for their safety, need to be placed into vehicles promptly. The car park is NOT a meeting area.
- The lane around the edge of the car park (closest to the oval) are for vehicles waiting to pick children up from the Pick-up Zone ONLY.
- The two parking bays closest to the office path are the PICK-UP ZONES. These are NO STANDING zones. If your children are not ready to get into your car as you pull up to the pick-up zone, you must continue on and rejoin the end of the pick-up queue.
- There is NO RIGHT TURN when exiting the car park. All vehicles must turn left for the safety of others and to maintain traffic flow.
- THE GATES CLOSE AT 9.00am AND RE-OPEN AT 3.00pm. Occasionally they might re-open slightly later due to school activities.

Thank you for your patience and consideration of others.
WE PRAY FOR: Mrs Jo Pulley who is very unwell at present; All the children in the Parish preparing for the Sacrament of Confirmation this Friday night and over the weekend; Our brothers and sisters and their families who are fleeing persecution, war and catastrophes: all pregnant women and all who need our prayer.

LOST PROPERTY BOX: There are quite a number of jackets and jumpers in this box at present. So if your child is missing his/her jacket or jumper you may find it in here! Thank You to those families who continue to send in uniform pieces that are clean and in good condition. They are very much appreciated.

MELBOURNE CUP DAY LUNCHEON: Over the past few years this has become an annual event in the life of our Parish of Our Lady Help of Christians. So if you or anyone else you know who would be interested in coming please see me. Tickets are $20.00 each and this includes a two course hot catered lunch. We have a raffle, the first prize of which is a weekend at Phillip Island and a $100.00 dinner voucher for a restaurant on the Island. You can have a flutter on each race as well. This is a child-free event!

PARISH FETE IS ON Saturday 7th November: a date for your diaries. The Parish Raffle tickets have gone home and if everyone could sell a book to family and friends this would be much appreciated. There will be rides (wristbands on sale after each Mass - $25.00 early bird price/ $30.00 on the day /$5.00 a ride without a wristband), Spinning wheel, stalls galore (support the craft Christmas stall from our school Craft Group – this includes stocking fillers for the children and craft activity sets for $1.00), plant stall, white elephant stall (in the Keogh Room), games galore, entertainment on the soccer pitch, International food stalls – Indonesian, Indian, Tongan, Phillipines, Aussie B.B.Q. AND SOOOOOOOOOOOO MUCH MORE! Come along and help us build the parish centre. THE PARISH FETE IS FROM 10AM-4PM ON SATURDAY 7TH NOVEMBER.

PLAYGROUP: The Playgroup wandered round the vegetable gardens looking at what is growing this morning. Those who wished went home with Silver beet to build strong bones and iron in the blood. As we again have 27 children on our books there will be no more enrolments for the present. This is for safety reasons and lack of space.

This weekend we hear from Mark’s Gospel about a mother who is very concerned to see her sons get on in life. So much so she tells them to ask Jesus if they can sit one on his left and one on his right in the Kingdom. Jesus tells them this is going to “cost them” – the cost coming in the form of suffering! Nothing of worth usually comes about without some suffering does it? The love husbands and wives share is deepened only through suffering – often involving giving way to the other and compromising what the Id would rather. Family life grows and develops through the constant committal to a daily grind of “please put your dirty clothes in the basket” (or wherever) said over and over again! Our school constantly asks parents to exit left from the car park!

LORD, JESUS, YOU ARE WITH US AND WITNESS THE DAILY GRIND BY WHICH WE SLOWLY BUT SURELY STRIVE TO BUILD THAT KINGDOM OF LOVE, JUSTICE AND PEACE WHICH BEGINS LIKE A SEED IN OUR LOVE LIFE, OUR FAMILY, OUR SCHOOL, AND COMMUNITY. Amen.

It’s been well documented in recent years that children/young people are dependent on adults for longer. In Australia, one in four 18-30 year olds still lives at home and those numbers are on the increase. There are many reasons for this including lack of housing, affordability, working and partnering later, and simple convenience.

The propensity for many parents to do too much for children is a massive contributor to this increased dependency. Oddly, this is the exact opposite of what parents have always done, which is to develop their children’s independence, and in doing so effectively become redundant from their children.

There are a number of reasons for the current high level of dependency parenting including family shrinkage (parents are able to do a great deal for kids in small families), older parents (often over-concerned), busyness of life (it’s easier to do than delegate) and a heightened fear that the world is a dangerous place for children and young people.

**Independence is the point**
When independence becomes your priority then suddenly you’ve found a pathway to the development of other positive qualities and traits in your children including the key four – confidence that comes from facing fears; competence that’s built through mastery; creativity that’s encouraged when kids must resolve their own problems; and character that is forged under the duress of challenge and hardship.

Adults are the gatekeepers for children’s independence. And of course, independence takes many guises including:

1. **Self-help skills**
The starting point for independence building is giving kids the skills, know-how and confidence to look after their own wellbeing and welfare. This is shown in the many everyday situations where parents model, teach and provide opportunities for children to look after themselves. Including toddlers undressing themselves, primary-aged children preparing their own snacks, and teenagers organising their own transport to school and after school activities. Kids develop real confidence from being able to look after themselves and others.

2. **Autonomy to make choices and mistakes**
Without realising it, as parents we frequently make choices on our children’s behalf. We choose the food they eat; the games they play; their leisure activities and often the clothes they wear. When families are large (four or more children) parents usually give their children more space to make their own decisions as well as opportunities to learn from their poor choices.

more on page 2
... The many faces of independence ...

This may mean that children choose healthy interests and pursuits that parents are unfamiliar with, or even swim against the tide of their parents' wishes. In small families parents often know so much about minutiae of children's lives that inevitably we tend to impose greater well-intentioned control over children's decisions.

3 Freedom to explore the neighbourhood
On a recent trip to Italy I was struck by how much freedom to wander their neighbourhoods Italian children had. It was a throwback to the type of childhood that many of today's parents experienced, where we had the opportunity to navigate our neighbourhoods on our own without having to check in with our parents all the time.

4 Freedom to explore unpredictable and potentially risky environments
Independence is also built when children spend time in unpredictable, potentially risky environments such as the bush or new environments beyond their neighbourhood. There may be some risk involved but this is where real learning lies for children and young people. Eliminate the risk and you eliminate the learning.

5 Taking responsibility for your own problems and actions
There's no doubt many kids are adept at shifting their problems and responsibilities to adults. One of my children would always blame me when they were late for school. Even though the child in question had an alarm clock and was more than capable of using it, any lack of punctuality was somehow shifted to me. Go figure! Independence comes when children take ownership of their responsibilities rather than using someone else as a scapegoat.

In order to grant children and young people the type of independence outlined parents need to be brave rather than fearful; work hard to develop the skills and know-how kids' independence requires; and be willing to give kids the encouragement and support they need to step out of their comfort zones when independence seems to hard.

Dear school families, we invite you to attend the **OLHC Parish Fete on Saturday 7th November 2015** from 10am to 4pm at the Don Bosco School grounds (496 Princes Highway). As part of our fundraising to build The New Parish Centre, we would like to invite all families to kindly help out by selling a book of 10 raffle tickets at a cost of $2 each. These books will be brought home by your child in the next few days. Could you please ensure that all sold and unsold raffle tickets are returned to the school office by the **30th of October 2015**.

On behalf of the Parish, we appreciate your kindness and generosity in supporting this event.

Thank you - OLHC Fete Committee.
