**TERM 3**

**WEEK 3**

**Wednesday  
1st August 2018**

**FRIDAY 3rd AUGUST**

**CLASS MASS 9.00am  
YEAR 6 LEVEL**

**SORRY SERVICE  
YR 2B**

**ASSEMBLY 2.30pm  
Yr 6SD**

Dear Parents,

*'Working closely with the child now creates the adult of the future.'*

As a parent it's hard not to worry about what type of adults your children will grow into. Will they be a quality citizen? What will they do for a job? What will their friendship group be like? What will the world be like that they will be living in? Where will they live? Will they make sensible decisions when they are confronted with the inevitable temptations that will come their way? I would assume that the number one priority for all parents is to see that their children are happy and successful in life, regardless of what they choose to do.

The reality is, however, that us worrying about their future will have no influence. What will have an influence is what you do with your children right now because that creates the adult of the future. Are we modelling what type of adult we would like them to be? Are we spending enough time with our children? Do we look for the opportunities to teach the behaviours and values we would like them to have? As a parent myself I find the above statement in italics comforting as it creates a roadmap for what I can do now to ensure that my children's futures are as positive as they can be.

### **Interschool Sport**

This week Trinity has a bye.

### **Insight SRC Survey**

The Insight SRC Survey will be completed, over the next two weeks, by Trinity Staff, selected student levels and a representative sample of parents. The purpose of the survey is to provide an insight into how staff and student wellbeing can be improved in our school, including feedback on what we are doing well at Trinity and

to identify areas to be reviewed. The Insight SRC survey provides valuable evidence and understanding of the current culture of our school and assists in the continued development and focus on sustaining expert teaching practice and improved student learning outcomes. Individual responses from staff, students and parents are confidential and the estimated time to complete the survey is approximately 30 minutes. We look forward to receiving the feedback and data from the Insight SRC survey so we can continue to improve how we nurture and support the growth of students and families in our school community.

## **NCCD - Nationally Consistent Collection Data**

### **What is the Nationally Consistent Collection of Data?**

Schools must now complete the Nationally Consistent Collection of Data on School Students with Disability (NCCD) every year, in August. It counts the number of students who receive additional adjustments or 'help' at school because of a disability. The NCCD helps governments plan for the needs of students with disability.

Previously Catholic schools in Victoria accessed additional funding for their students with disability through the Catholic Education Commission of Victoria (CECV) Students with Disability (SWD) program. The NCCD will replace this program and will ensure consistency across the country, from state to state and from sector to sector.

To count a student in the NCCD, schools must consider the following:

1. Does the student require adjustments to be made so that they can access the curriculum on the same basis as their peers?
2. Does the student have a disability according to the Disability Discrimination Act?
3. Have the student's parents or caregivers been consulted with in regard to these adjustments?
4. Is there clear evidence of the above to support the inclusion of the student in the NCCD?

### **What does this mean for students currently on the CECV SWD program?**

It is highly likely that students on the CECV SWD Program have already been, and will continue to be counted in the school's NCCD. Documentation from specialists along with school based evidence will continue to be used to inform educational programming (i.e. adjustments).

Parental Consent - Changes were made to the law (Australian Education Act 2013 and Australian Education Regulation Act 2013) which mean that schools do not need to ask for parental consent in order to count a student.

Further information - Please contact the school if you have further questions about NCCD.

## **School Calendar**

## GOSPEL REFLECTION

### **Seventeenth Sunday in Ordinary Time**

*John 6:1-15*

### **Reflection:**

There is no limit to God's great love for us. We can trust that God will provide for us, and we can help by being God's presence in the world by the care that we show for others.

### **Possible discussion:**

In Sunday's Gospel a large crowd followed Jesus. Why was Jesus concerned for them?  
What small amount of food did the disciple Andrew find?  
What did the disciples ask the crowd to do before Jesus blessed the bread and fish?  
What did Jesus do with the blessed food?  
What was left over?  
Jesus feeds us in the Eucharist. What does he give to us?

Jesus gives us his body so that we can become one with him and live like him.

We pray that we will live for Jesus and share what we have with others.

## **FAMILY LIFE PROGRAM 2018**

**Year 1 and 2 - Tuesday 7th August @ 7pm**

**Year 3 and 4 - Tuesday 14th August @ 7pm**

**Year 5 and 6 - Tuesday 21st August @ 7pm**

During Term 3, Family Life will be offered to families on the above dates at Trinity.

This Program has received widespread acceptance since its inception in 1983. It is offered biennially in most Primary School in the Diocese of Sale at Grades 1&2, 3&4 and 5&6.

The basic aim of the Program is to give the children an appreciation of the unique family unit to which they belong and to enhance communication in the important area of Human Development, Human Relations and Sexuality. Emphasis is placed on Christian values and the dignity of the human person.

The Catholic Church affirms the value and necessity of wisely planned education of children in human sexuality.

This is seen as the right and indeed, duty of parents. It does, however, also stress the role which the school can play in this area of education.

Some parents find difficulty with this area of their child's education and ask for assistance. The Family Life Education Program seeks to help and support parents with this task. Schools who integrate the Family Life Program into classroom units of work related to the Health and Physical Education Curriculum, do so using Christian based values and resources in the context of Christian Education for Personal Development.

Resources and DVDs used in the Program all promote Catholic values.

The Program requires that the child attend with at least one parent or guardian. It is an ongoing process, building on the presentations of earlier years and responds to the needs of the child at the appropriate level of their development.

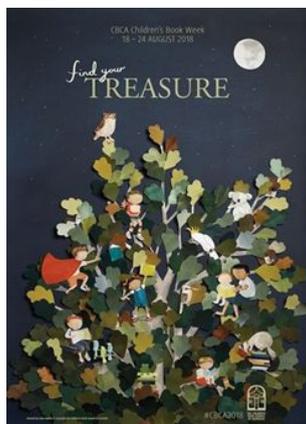

***Notices were sent home with students last week and are also available on the School Website Calendar .***

If you have any questions, please do not hesitate to contact the school.

Regards Kathryn Pepper

Once children cross the pedestrian crossing into the parking area, they, for their safety, need to be placed into vehicles promptly. Thank you for your patience and consideration of others.
